4 x 8 Dri-Seal Circuit Box

the Betts 4 x 8 Dri-Seal Circuit Box is a plastic body junction box. Features 18 brass circuit #10-24 studs in a moisture and corrosion free environment. Cable entry available on all four sides. May also be ordered custom drilled/tapped to your specifications. The housing is made from high-strength reinforced PBT engineered thermoplastic that provides impact and UV resistance. The exclusive Snap Seal™ O-ring locks out moisture to prevent corrosion while providing convenient access to the inside of the housing. The spacious housing has plenty of room for wiring and plug connections.

- Surface mount with 2 mounting holes
- Covered by Betts' 5-Year Limited Warranty

Other options such as 40 Series, 45 series, 47 series, 56 Series, 57 Series and Aluminum styles are available.
