|   |                 |   | Date:<br><b>March 25, 20</b>  |
|   |                 |   | Page:<br><b>1 of 1</b>  |

The following table lists 4" and 8" (PRVs) that have been obsoleted and replaced with newer models. Replacement components for these older models are not available and older units in need of repair should be replaced with corresponding item numbers from the table.

| Obsolete Item | Description                   | Replace with: |
|---------------|-------------------------------|---------------|
| 8276ALTS      | WING NUT OR FILL STYLE 8" PRV | 8481AL**      |
| 8277ALTS      | BOLTED STYLE 8" PRV           | B8481AL**     |
| 8288ALTS      | THREADED STYLE 8" PRV         | T8481AL**     |
| 8290ALTS      | BOLTED STYLE 4" PRV           | 8497AL**      |
| 8292ALTS      | THREADED STYLE 4" PRV         |               |

\*\* Last two letters designate seal material. "BN" designates Buna-N seals. Other seal options are available.

8481ALBN is offered in a remanufactured/refurbished assembly (if stock is available). This remanufactured/refurbished assembly is part number 8481ALBN-RB. Contact Betts Industries Sales Department for details.
